The decision on the method of repatriation will be at the discretion of Our Medical Team subject to consultation with the doctor in attendance.

Advice on what to do if something goes wrong

We hope **Your Trip** goes smoothly, but if something does happen, we can deal with **Your** claim much more quickly if **You** know exactly what to do. Therefore, here are the answers to some frequently asked questions:

What if I have to cancel my Trip because of Illness?

Just ask **Your** doctor to complete and sign the medical certificate included in the cancellation claim form. **You** will need to send this to us along with **Your** overseas **Trip** booking invoice, receipt and cancellation invoice.

What if I have to cut short my holiday due to Accident or Illness?

Be sure to obtain a doctor's letter confirming that **You** need to curtail **Your Trip** and return **Home**. We will also need **Your** holiday booking invoice and receipt to support **Your** claim.

What should I do if I'm injured or taken ill during my holiday?

Immediately arrange for any treatment **You** need, but please be sure **You** contact us as soon as possible for authorisation before incurring any medical expenses over £500. **You** must obtain a detailed receipt for all the treatment that **You** receive.

What if the injury or Illness prevents me returning Home as planned?

Please get written confirmation from the doctor who is treating **You**, that **You** are unfit to travel at the scheduled time.

What should I do if another party is responsible for some of my claims costs?

It is important to note that if **You** encounter an incident that may lead to a claim, **Your** first course of action should be to seek compensation from any available sources other than our insurance. This includes, but is not limited to, making claims through **Your** Tour Operator, Accommodation Provider, or Credit

Card provider. Should these avenues be unable to fully cover **Your** costs, **You** are then encouraged to file a claim with us.

Furthermore, if **You** are in a position to recover any portion of **Your** claim's costs through alternative means, such as another insurance **Policy**, coverage through a state healthcare system, or a legal entitlement to recover costs from a third party, **You** are required to inform us. Our contribution will then be adjusted accordingly, ensuring that we only cover our fair share of the costs. This approach helps us manage costs effectively, ensuring that our insurance remains sustainable and valuable to all insured persons.

Important note:

If **You** need to stay in hospital for more than 24 hours, someone must contact International Emergency Medical Assistance on **+1 305 893 9433** as soon as possible to advise us of the details. Should **You** incur any additional expenses for travel and accommodation, please keep **Your** receipts.

What's the procedure if my baggage is lost, stolen, damaged or delayed?

- If **You** lose **Your** baggage or it is stolen, report this to the police immediately and get a Police Report.
- If **Your** baggage is lost or damaged whilst being carried by an airline, railway, coach or ship, report this in writing to the carrier as soon as possible (at least within three days). Make sure **You** receive a Property Irregularity Report or similar documentation. Please keep copies of any correspondence **You** send or receive, as well as the retained portion of the travel tickets and baggage tickets.
- In the event of **Your** baggage being damaged, obtain an estimate for the repair. If the article is not repairable, get a letter of confirmation from the repairers. Please retain the damaged item wherever possible.
- To support a claim for damaged and lost items we will require receipts showing the purchase price and date of purchase.
- If **Your** baggage is delayed for more than 12 hours, get written confirmation of this from the carrier. **You** will also need receipts to support **Your** claim for any emergency purchases **You** have to make.

What if I lose my passport?

Report it to the police immediately and get a Police Report. If **You** incur costs when obtaining replacement documentation e.g. extra travel, unplanned accommodation or statutory charges, be sure to keep all **Your** receipts.

What if my money is lost or stolen?

- Report this to the police without delay – certainly within 24 hours of discovering the loss. Please get a Police Report.
- If **You** have lost Travellers Cheques **You** should report this immediately to the local branch, agent or issuing authority and apply to them for a refund. If, for any reason, **You** are unsuccessful in getting a refund, **You** will need a letter from them confirming this fact.
- If **You** have lost **Your** foreign currency **You** will need evidence of conversion from the bank, such as a currency conversion bank slip.
- If **You** have lost sterling or cheques, **You** will need confirmation of cancelled cheques and bank statements.

What if I miss my plane, train, coach or ferry because of a transport breakdown?

If **Your** transport breaks down, please make every effort to reach the point of departure from or return to **Your Home** country on time. Should **You** still miss **Your** flight, train, coach, ship, ferry, or cross-channel train, get a receipt for any alternative transport needed to reach **Your** destination. If public transport lets **You** down, please obtain written confirmation from the carrier explaining the cause.

What if my outward or return journey is delayed for more than 12 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if I accidentally injure someone outside my immediate Family and they wish to seek compensation?

We will require the name and address of the person injured; a full description of the injuries suffered; plus full details of the **Accident** – including how, when and where it occurred.
